

Facilities

Please note that the apartment is on the ground floor and on the sea side of the main house, where the owners also stay, however, it is completely private with a separate entrance to the apartment. As the property lies on sloping ground on a hilltop there is a flight of stairs leading down to the apartment's entrance and therefore unfortunately not wheelchair-friendly, nor easily accessible by the frail or movement impaired.

Rooms:

- Two rooms, one with a queen bed and the other with a double bed.
- Ceiling fans with remotes.
- Bed linen and bedding.
- A maximum of two persons sharing per room.
- We do not have a family room.
- Electric blankets during extremely cold weather.

Bathrooms:

- Two full en-suite bathrooms.
