## **BOARDROOM TO THE BEACH**

The demand for an upmarket space that can host Corporate Strat Sessions as well as premium accommodation in the area, prompted the creation of Eternity Event Space. "Boardroom to the Beach"!

We have created the perfect place for this, a space that allows creativity to flow. There is a feeling of calm here as one reconnects with nature and with each other. The body and mind become balanced allowing creativity and connection to flow.

An open plan lounge and dining room space can be set up by our team as you want it to be. This can be set up boardroom or cinema style.

We can incorporate interactive experiences such as cooking, cold water plunging in the rock pool, beach walks, wine tasting etc.

There is an indoor fireplace to take the evening chill out of the sea air if necessary.

There is a large wooden deck leading out from the space onto the dunes and from here you can walk directly onto the pristine white sand.

There is a sunset deck on the first floor with panoramic views that can be used for cocktails, champagne and canapés after the workshop.

We have an inverter to power all normal requirements. Extra generators may be needed for some equipment.
