## **WEDDINGS @ ETERNITY EVENT SPACE**

(up to 50 guests)

Picture the guests as they watch the bride walking barefoot in the sand towards her groom, salty sea air blowing gently through her hair, and the soft glow of sunlight making her absolutely radiant.

Feel the ocean breeze dancing around you as you take your vows, while seagulls observe the goings on with curiosity.

Gather your guests around you on the dunes for unforgettable photographs.

This is the blank canvas we offer you  
to paint your ideal picture.

We also have an incredible event coordinator to hold your hand every step of the way and to ensure that every detail is perfect. We make your day as stress free and memorable as possible.

Our on-site Beach House Team are experienced to handle every aspect of the setting up and could not be more helpful.

Even in cooler weather, the setting works well, as celebrations move indoors, with the fireplace providing both atmosphere and warmth. The West Coast is also noticeably drier than the Western Cape.

We suggest that you do a 2 to 3 day event to really enjoy the space to the full potential and we are happy to work on Destination Wedding suggestions for you.

ETERNITY

Enjoy a Braai on the deck the night before the big day with your nearest & dearest - think of deep connection and meaningful conversations around the fire.

Think of a long lazy al fresco brunch on the deck overlooking the sea on the day after, reliving the magical night in detail.

Time is the most precious gift you can give anyone, so share your time and make this an extended affair.

We urge you to kick off those heels and put your toes in the sand, and let us spoil you and your loved ones on your special day!

Together, let's make your most cherished memories last for eternity...
